

Founded in 1983, the **GREATER EASTON DEVELOPMENT PARTNERSHIP (GEDP)**, is a volunteer driven, 501(c)(3) nonprofit entity that collaborates to nurture Easton’s economic well-being and cultural vibrancy. We strive towards making Easton a national model of a livable and welcoming small city. To support our efforts, GEDP hosts two boutique events throughout the year that provide a relaxed, casual atmosphere to enjoy fine food and beverages along with great company.

Princesses Belle, Cinderella, Tiana, Rapunzel, and Ariel host our annual **PRINCESS TEA** with sweet treats, sing-a-longs and a truly royal experience. Each Prince or Princess is presented with tiara or crown upon arrival. Guests (up to 100) dress up as their favorite royalty to really embrace the full experience.

SUNDAY, APRIL 14, 2024 | 11:30AM | BANK STREET ANNEX

The **PUMPKIN PARTY** returns in 2024 for an afternoon of fun with a Fall theme! The event offers jack-o-lantern creations, tarot card readings by The Loving Piece, a stage show with Grins & Grins, lots of games, face painting, Fall photo-ops, ghost stories by the Easton Public Library and the kid-favorite trackless train ride.
